The following is a list of the School Districts and Municipalities for whom the York Adams Tax Bureau is the appointed tax collection agency. The local compensation tax rate is 1% unless a greater rate is shown below(next to School District).

This listing also includes the LST rates for which we are the appointed tax collection agency and also indicates if we are the MBPT collector.

NOTE: The * symbol indicates Portions of these municipalities are in different school districts.

NEW FOR 2008: The Bureau now collects only the school district portion of the earned income tax for residents of Straban and Tyrone Townships. The applicable tax rates are listed next to these municipalities under their co-terminus school district.
