FILING: YATB offers two methods of filing your Local Earned Income Tax Return. Taxpayers are encouraged to complete and file their returns online through the Pennsylvania Local Income Tax Exchange (PALite) or by mail using the Individual Taxpayer Annual Local Earned Income Tax Return form (Form YATB TO-32). *Please consider filing online at PALite.org*

Eligibility and exclusion provisions, including complete instructions and conditions, can be found on the PALite individual online filing webpage (www.palite.org) which may also be accessed through YATB’s website at www.yatb.com.

Reminder: When filing electronically through PALite, do not mail a copy of your return to YATB - retain it for your records.

York County taxpayers who reside in the West Shore School District (including the municipalities of Fairview Township, Newberry Township and Goldsboro Borough) must file with the Cumberland County Tax Bureau, www.cumberlandtax.org, phone 717-590-7997.

FILING DUE DATE:

Your return must be completed and filed on or before April 15 (unless the 15th falls on a Saturday, Sunday or Federal Holiday...then it must be filed the following business day). The Postal Service postmark date on your envelope will serve as proof of your filing date. (If you cannot file by the due date, you may request an extension by filing the Individual Taxpayer Annual Local Earned Income Tax Return form with your name, address and social security information and check the box indicating **EXTENSION** at the top of form and forward to the applicable YATB office.) NOTE: Extensions apply only to the filing of your return, not to the payment of tax. **If tax is not paid in full by the April due date, penalty and interest charges will apply.**

PA-UE deductions may only apply to W-2 income; a separate UE form is required for each employer. **All expenses are subject to verification by YATB. YATB reserves the right to require further documentation (mileage logs, receipts, etc.) to substantiate amounts claimed.**

Line 3: Other Taxable Earned Income

Include income, from work or services performed, which has not been included on **Line 1** or **Line 5**. Do not include interest, dividends or capital gains. Do not report 1099 MISC income which is also claimed as part of a PA profit/loss schedule. Please provide explanation and remit any applicable supporting documentation.

Line 4: Total Taxable Earned Income

Subtract amount in **Line 2** from **Line 1**, then add **Line 3**.

Line 5: Net Profit and Line 6: Net Loss

DOCUMENTATION REQUIRED: 1099(s), PA Schedules C, F or RK-1 must be enclosed (legible copies accepted)

Rule: A taxpayer may NOT offset a business loss against wages and other compensation (W-2 Earnings, Line 1). A taxpayer may offset a loss from one business entity against a net profit from another business entity. "Pass-Through" income or loss from an S-Corporation is NOT taxable or deductible. **If you or your spouse reported an S-Corporation profit or loss to the PA Department of Revenue, please complete the S-Corporation Income table on the back of the return.** This is for audit purposes only when comparing income reported to the PA Department of Revenue to avoid future unnecessary correspondence. Rental Income or loss reported on a PA Schedule E is not taxable or reportable.

Line 7: Total Taxable Net Profit

Subtract amount in **Line 6** from **Line 5**.

Line 8: Total Taxable Earned Income and Net Profit

Add amount in **Lines 4** and **7**.

Lines 9, 9a, 9b: Total Tax Liability – SEE TAX LIABILITY WORKSHEET ON BACK OF RETURN

Multiply **Line 8** by your applicable Resident EIT Rate as shown on the **Local EIT Tax Rates** chart found on the last page of the instructions or on our website www.yatb.com. **NOTE: If you worked within the City of York and live in a municipality with a resident rate of 1%, you must complete the Total Tax Liability Worksheet on the back of the return.** Enter the results on lines 9 and 9a on the front of the return. Enter the total of lines 9 and 9a in **Line 9b**, Total Tax Liability.

Line 10: Total Local Earned Income Tax Withheld as Reported on W-2(s)

The amount of local earned income tax withheld should be shown in Box 19 of your W-2(s). You may claim credit for local earned income tax withheld up to the rate as shown on the Local EIT Tax Rate chart. NOTE - Several municipalities within PA have enacted NON-RESIDENT earned income tax rates that may be higher than your resident earned income tax rate. You may be liable for this additional amount if your place of employment is located in one of these municipalities. In this event, the additional earned income tax amount would NOT be refundable.

Line 11: Quarterly Estimated Payments/Credits from Previous Tax Year

Claim any quarterly estimated payments made to date for the applicable filing year and/or transferred from prior year. Do not include any penalty and interest amounts that may have been made as part of the quarterly payments.

Line 12: Miscellaneous Tax Credits (fill out worksheet on back of return)

ALL DOCUMENTATION REQUIRED for credit: Out-of-State Return, PA State Return, PA Schedule G, W2(s)

1. Credits for income taxes paid to other states must first be used against your Pennsylvania state income tax liability; any credit remaining thereafter may be used against your local earned income tax liability.
2. Credits for income taxes paid to political subdivisions located outside of Pennsylvania, or for wage taxes paid to Philadelphia, may be taken directly against your local earned income tax liability.
3. In calculating your credit for income taxes paid to another state or political subdivision, please note that the amount of income must be subject to both your local earned tax and the out-of-state tax.
4. **No credit for income taxes paid to another state or political subdivision may exceed your total local earned income tax liability.**

Credit for Taxes Paid to Other States: You may take a credit based upon the earnings taxed both in another state and in Pennsylvania that may be greater than the Pennsylvania state personal income tax rate. Use worksheet on back of the return form.

No credits are given for state income taxes paid to states that reciprocate with the Commonwealth of Pennsylvania.

These states include: Indiana, Maryland, New Jersey, Ohio, Virginia and West Virginia.

Example: Taxpayer earned wages of \$10,000.00 in Delaware and paid an income tax liability to that state in the amount of \$317.00. Assuming the current Pennsylvania state tax rate is 3.07% for the tax year in question, the \$317.00 liability for Delaware would exceed the PA Tax liability amount of \$307.00 by \$10.00. In this case, the \$10.00 amount may be credited against your local earned income tax.

If all your wages or gross earnings are subject to Delaware state income tax (not PA), use the above example to calculate your tax obligation. If you had earned income NOT taxed by Delaware, this income would be subject to the earned income tax applicable where you reside and must be shown separately on the Local Earned Income Tax Return form.

Credit for Taxes Paid to Political Subdivisions Outside of Pennsylvania: You may take a credit based upon the earnings taxed in both another political subdivision and where you reside in Pennsylvania. THIS CREDIT WILL BE DISALLOWED IF YOUR W-2 FORM SHOWING OUT-OF-STATE CITY INCOME TAX WITHHELD IS NOT PROVIDED.

NOTE: No credits are given for taxes paid to foreign countries.

Credit for Taxes Paid to Philadelphia: You may use any wage tax paid to Philadelphia as credit toward your local earned income tax liability. No refunds or credits will be allowed for any overpayment made to Philadelphia. Enter the amount of Philadelphia wage tax paid on **Line 12** of the Local Earned Income Tax Return form. THIS CREDIT WILL BE DISALLOWED IF A COPY OF YOUR W-2 AND/OR VERIFICATION OF TAXES PAID TO PHILADELPHIA IS NOT PROVIDED.

Line 13: TOTAL PAYMENTS and CREDITS

Enter the sum amounts of **Lines 10 + 11 + 12**

Line 14: Refund

If Total Tax Liability from **Line 9b** is less than your Total Payments and Credits in **Line 13**, enter the amount of overpayment to be refunded. If you have an overpayment of taxes in excess of \$2.00, you may elect to receive a refund, apply as credit against the next year's tax liability or transfer to your spouse's tax due (please check applicable box in **Line 15**).

Line 15: Credit Taxpayer/Spouse

If Total Tax Liability from **Line 9b** is less than your Total Payments and Credits in **Line 13**, check the applicable box and enter the amount you wish to transfer.
